

Technical Information

The Hardcore DINAN120 is a high performance, maintenance free, DIN A case size battery. The DIN A case is the correct fitment for European tractors, trucks and buses which require this size battery. It uses stamped grids to deliver high starting power and excellent grid stability.

The DINA120 is engineered & manufactured in Germany to OEM requirements to ensure it will deliver years of reliable service.

Features & Benefits

- Full Frame stamped grids
- High corrosion resistance
- Engineered & manufactured in Germany
- High cranking power
- Meets OEM design requirements

Applications

European Trucks

European Buses

European Tractors

Technical Specifications

Battery Type	Maintenance Free	Case Material / Colour	Polypropylene / Black
Voltage	12V	Lid Type	Accessible
Capacity (20Hr)	120Ah	Grid Type	Full Frame Positive Grids
CCA (-18°C, SAE)	680A	Separator Type	Low resistance PE separators
Terminal Type	SAE Std.	Assembly Layout	LHP [+ -]
Overall Size (LxWxH)	513 x 189 x 215mm	Case Size	DIN A, N120
Nominal Weight	33.6kg	Ledges	None
