

Technical Information

The Delkor 4D-1400HD is a genuine commercial grade battery. It has been engineered to perform in the toughest environments, in the most demanding heavy duty applications. Delkor has earned a reputation for superior commercial batteries from the consistent results they deliver in the field.

The Delkor 4D-1400 is a high power cranking battery developed to meet or exceed the highest OEM requirements including CAT vehicles.

Features & Benefits

- Calcium Lead Alloy Grids
- OE proven technology
- Unique high density active material
- Built in hydrometer
- Low self-discharge
- Low resistance envelope separators

Applications

Commercial Trucks

Mining & Construction

Earthmoving

Technical Specifications

Battery Type	Calcium Maintenance Free	Case Material / Colour	Polypropylene / Black
Voltage	12V	Lid Type	Maintenance Free
Capacity (20Hr)	200Ah	Grid Type	Expanded Positive & Negative Grids
CCA (-18°C, SAE)	1400A	Separator Type	Low resistance PE
Reserve Capacity (25A, SAE)	425 minutes	Assembly Layout	RHP [- +]
		Terminal Type	SAE Std.
Overall Size (LxWxH)	507 x 213 x 231mm	Case Size	N150
Nominal Weight	48.3kg	Ledges	None
