

Technical Information

The Hardcore MFN200A is an ultra high performance, maintenance free battery designed to suit applications requiring a DIN N200 Euro case. The full frame stamped grids deliver high starting power and excellent corrosion resistance.

The MFN200A is engineered and manufactured in Germany to meet or exceed OEM requirements.

Features & Benefits

- Full Frame stamped grids
- Excellent corrosion resistance
- Engineered & manufactured in Germany
- High cranking power
- Correct DIN case size for easy installation

Applications

Buses & Trucks including:

- Mercedes
- Scania
- Volvo
- IVECO
- MAN
- Bonluck

Technical Specifications

| | | | |
|-----------------------------|-------------------|-------------------------------|------------------------------|
| Battery Type | Maintenance Free | Case Material / Colour | Polypropylene / Grey |
| Voltage | 12V | Lid Type | Maintenance Free |
| Capacity (20Hr) | 240Ah | Grid Type | Full Frame Positive Grids |
| CCA (-18°C, SAE) | 1200A | Separator Type | Low resistance PE separators |
| Terminal Type | SAE Std. | Assembly Layout | LHP [+ -] |
| Overall Size (LxWxH) | 518 x 276 x 242mm | Case Size | N200 EURO |
| Nominal Weight | 59.8kg | Ledges | None |
