

# Super MINI BOOSTER

www.superminibooster.com

**PORTABLE EMERGENCY POWER PACK**

## THE SMALLEST MOST POWERFUL JUMPSTART PACK IN ITS CLASS!

Super Mini Boosters are the perfect solution for charging your devices away from home. They provide heavy duty charging power using reliable lead acid battery technology. These compact and versatile boosters can jump start and charge an endless amount of applications.

### NO NEED FOR THE JUMPER LEAD!

- 1M drop proof case
- Digital voltage display
- 2 USB ports 2000mA output
- 100% memory free
- AC/DC charging adapters
- 2 Bright LED lights
- Workshop Certified

**AGM  
BATTERY  
POWER**

# SPECIFICATIONS

## G4:

Size & Weight	21cm (Length) x 17.5cm (Width) x 15.2cm (Height) Weight 5.2Kg
Digital Meter	Display Voltage 3-30 Voltage (DC)
LED Lights	Two bright LED lights
	A. To light up under hood when connecting the Booster
	B. Use as a Warning/ SOS signal
Output	12V (DC) / Max.10A ; 5V USB/Max.2.A
Instant Max Current	1200 Ampere
Charging Input	1. AC100-240V adapter, 50/60Hz,CE/UL/PSE,etc.
	2. DC 12V Charger
Rechargeable Battery	AGM Battery DC 12V/ 14Ah
Vehicle Range	4/6/V6/V8 Cylinder Petrol up to 6.5 Litre and
	up to 3.0 Litre Diesel Vehicles

## G7:

Size & Weight	22.5 (Length) x 17.5 (Width) x 16cm (Height) Weight 6.8Kg
Digital Meter	Display voltage 3-30 Voltage (DC)
LED Lights	Two bright LED lights
	A. To light up under hood when connecting the Booster
	B. Use as a Warning/ SOS signal
Output	12V (DC) / Max.10A ; 5V USB/ Max.2A
Instant Max Current	1800 Ampere
Charging Input	1. AC100-240V adapter, 50/60Hz,CE/UL/PSE,etc.
	2. DC 12V Charger
Rechargeable Battery	AGM Battery DC 12V/ 20Ah
Vehicle Range	4/6/V6/V8 Cylinder Petrol up to 8.0 Litre and
	up to 4.6 Litre Diesel Vehicles

**12 Month Warranty — 100% Recyclable — Non-Lithium Battery**

**EXCLUSIVELY DISTRIBUTED BY R&J BATTERIES**
