

PRODUCT DATA SHEET

DELKOR

125D31R

Case size: JIS D31, Grp 27, N70, NX120-7

The Delkor 125D31R is a maintenance free starting battery with standard SAE posts. The superior design includes the latest PowerFrame® plate technology for significant improvements in durability and performance.

The Delkor 125D31R is designed to provide years of reliable, maintenance free starting for a wide variety of applications including passenger cars, 4x4's, SUV's and light commercial vehicles.

Features and Benefits

- Patented PowerFrame®plate construction
- Unique high density active material
- Maintenance Free design
- Built in hydrometer
- O Patented liquid & gas separators
- Flame arrestors in vents
- Low resistance envelope separators
- High strength polypropylene case

Product details

- 12V Premium Silver Starting Battery
- Not suitable for ISS (Idle Stop Start) applications
- O Assembly LH Positive [+ -]
- Voltage [V] 12
- Battery Type Calcium Battery (Ca/Ca)
- O Cold Cranking Amps [A] 760

- Battery Capacity [Ah] 95
- O Reserve Capacity [min.] 160
- Length [mm] 305
- O Width [mm] 172
- O Height [mm] 222
- Terminal Type SAE
