27H-700

Case size: JIS D31, N70ZZ

The Delkor 27H-700 is a Group 27 maintenance free starting battery with standard SAE posts. The superior design includes the latest PowerFrame® plate technology for significant improvements in durability and performance.

The Delkor 27H-700 is designed to provide years of reliable, maintenance free starting for a wide variety of applications including passenger cars, 4x4's, SUV's, agricultural, earth moving and commercial vehicles.

Features and Benefits

- Patented PowerFrame® plate construction
- Unique high density active material
- Maintenance Free design
- Built in hydrometer
- Patented liquid & gas separators
- Flame arrestors in vents
- Low resistance envelope separators
- High strength polypropylene case

Product details

- | | |
|---|-------------------------------|
| ○ 12V Calcium Starting Battery | ○ Reserve Capacity [min.] - 0 |
| ○ Not suitable for ISS (Idle Stop Start) applications | ○ Length [mm] - 306 |
| ○ Assembly - LH Positive [+ -] | ○ Width [mm] - 173 |
| ○ Voltage [V] - 12 | ○ Height [mm] - 225 |
| ○ Battery Type - Calcium Battery (Ca/Ca) | ○ Terminal Type - SAE |
| ○ Cold Cranking Amps [A] - 700 | ○ Weight [kg] - 0 |
| ○ Battery Capacity [Ah] - 0 | ○ Hold-down Type - - |
